THANK YOU FOR YOUR SUPPORT!

WOW — what an incredible turnout for our very first Dollar for Otters Day! **Together, we raised \$7,300 for our Otters.**

By supporting initiatives like Tag Day, you help our association stay visible in the community while also helping to keep overall Rep program costs as low as possible. For the 2025/2026 season, program expenses have increased due to the addition of spring practices, an earlier start to fall practices, rising ice rental rates from the Town, higher officiating fees, and the purchase of new Rep jerseys.

We want to extend a massive THANK YOU to everyone who came out and showed their support. And THANK YOU to our Rep players for braving the rainy weather!
