

PLAYER MOVEMENT CHEAT SHEET

For Rep Parents

Beginning in the 2025/26 season, OHF Minor Hockey Players U10 and up players can choose to play for any association, regardless of category (AAA, AA, A, BB, B, etc).

Players are eligible to attend Rep evaluations with more than one Association at a time and must be registered with each Association.

In order to roster a player, a team must have an Offer Acceptance from the player and parent and the player must be on the HCR.

What does "signing a player" mean and what does it look like? Once a player has been offered a spot on the roster, they have 24 hrs to accept. Our Registrar will be on site to sign the player in the HC catalogue.

Can a coach sign a player after only one tryout? Yes, a player can be offered a spot on the first day of player evaluations.

How long does a player have to accept an offer? Teams set their own deadlines for offer acceptance, there's no set min or max. They must clearly communicate the timeframe. HMHA allows 24 hours.

Will there be limits on non-resident players (NRPs) like other organizations? Yes. HMHA is permitting 4 NRPs per team.

Are last year's out-of-town players grandfathered or do they count as NRPs? They count as part of the 4 NRPs. Associations without Rep team in a division are still considered NRP.

EVALUATIONS

- Evaluations for Tiers 1 and 3 will run concurrently from **May 5 to May 10.**
- Tier 3 will have **one** additional tryout.
- After the first Rep evaluation, players may be asked by the coach to attend either the 2nd or 3rd evaluation, or both. Once a player has attended 2 evaluations, they may be released to the Tier 3 specific evaluation on **May 9 or 10.**
